ABOUT US

At Royal Edu Hub, we are redefining online tuition through a personalized, one-to-one coaching model that helps students not just learn—but excel with confidence. Whether the student follows CBSE, ICSE or State syllabus, we ensure focused attention, live interactive teaching, and a structured LMS-driven experience.

We aim to empower each student, address their weak spots, and transform them into confident learners.

OUR WORK ENVIRONMENT

Experience the collaborative and innovative workspace where our team creates exceptional educational experiences.

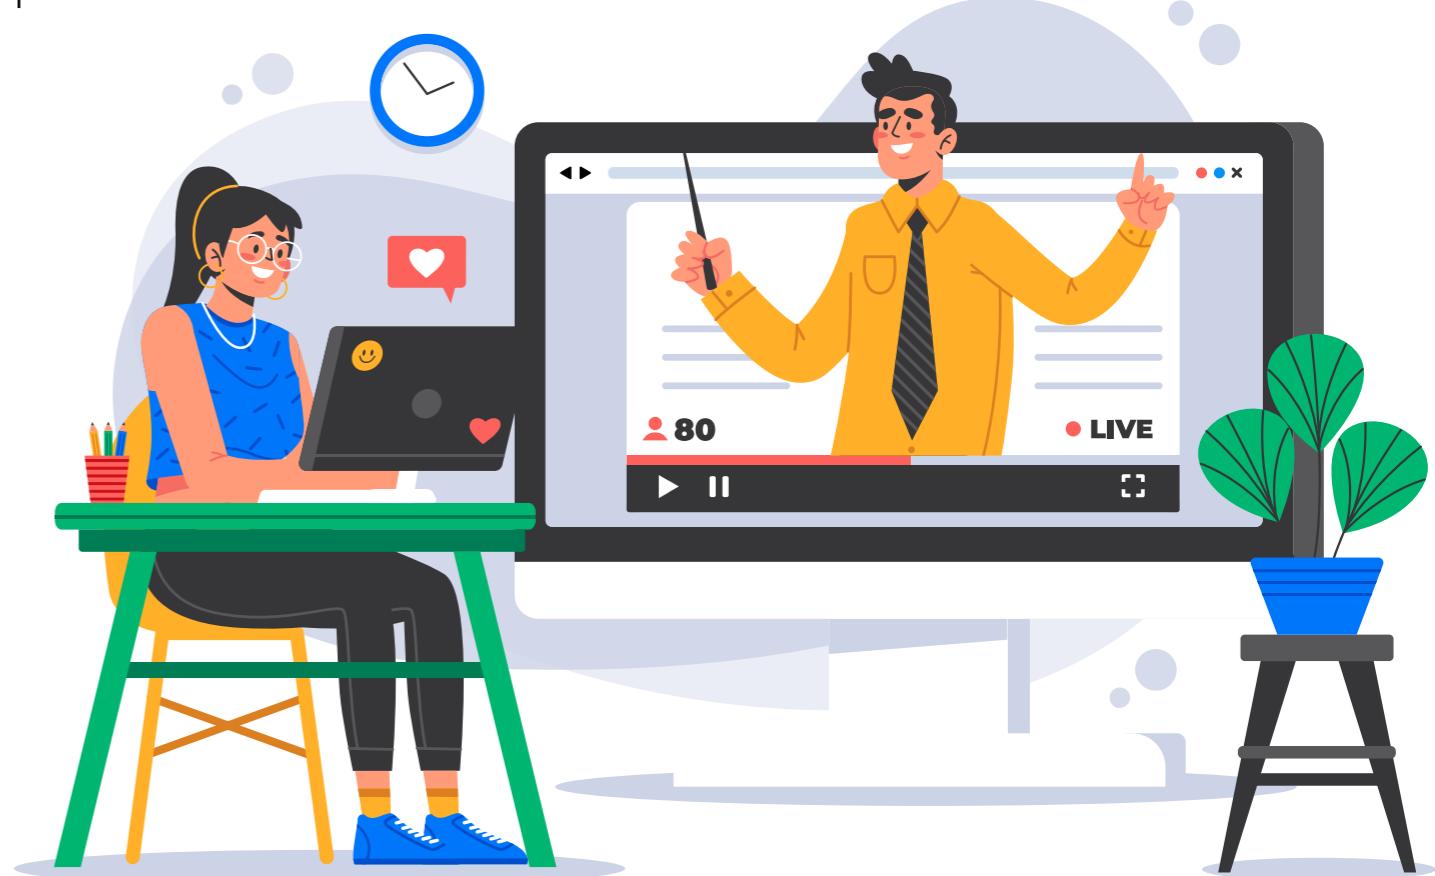

OUR MISSION & VISION

Mission:

To provide every student with high-quality, affordable, and individualized online education that builds conceptual clarity and exam readiness.

Vision:

To become a leading educational platform where students realize their fullest academic potential, supported by expert mentorship and cutting-edge technology.

WHAT WE OFFER / COURSE PORTFOLIO

We Specialize in Coaching For Class 5 to 12, with comprehensive coverage in:

STREAM / SUBJECTS	KEY FOCUS AREAS
SCIENCE / MATHS	Physics, Chemistry, Biology, Mathematics (Algebra, Calculus, Geometry, Trigonometry)
COMMERCE & HUMANITIES	Accountancy, Economics, Business Studies, English, Social Science, History
COMPUTER SCIENCE / TECHNOLOGY	Accountancy, Economics, Business Studies, English, Social Science, History
BOARD & COMPETITIVE EXAMS	Class 10 / 12 board exams, JEE, NEET, CUET etc.

We teach in modes such as:

- **One-to-One Coaching**
- **Small Batch Classes**

UNIQUE SELLING POINTS (USPS) & KEY DIFFERENTIATORS

1. Personalized, Individual Attention

No more “lost in crowd” — each student gets the guidance they need.

2. Live, Interactive Classes (Not Pre-recorded)

Real-time sessions, immediate doubt resolution, active interaction.

3. Comprehensive Syllabus Coverage

CBSE / ICSE / State boards — all in one place.

4. Flexible Scheduling

Morning, evening, weekend slots. Reschedule classes if needed.

5. Regular Assessments & Performance Tracking

Mock tests, quizzes, personalized feedback, dedicated doubt-clearing sessions.

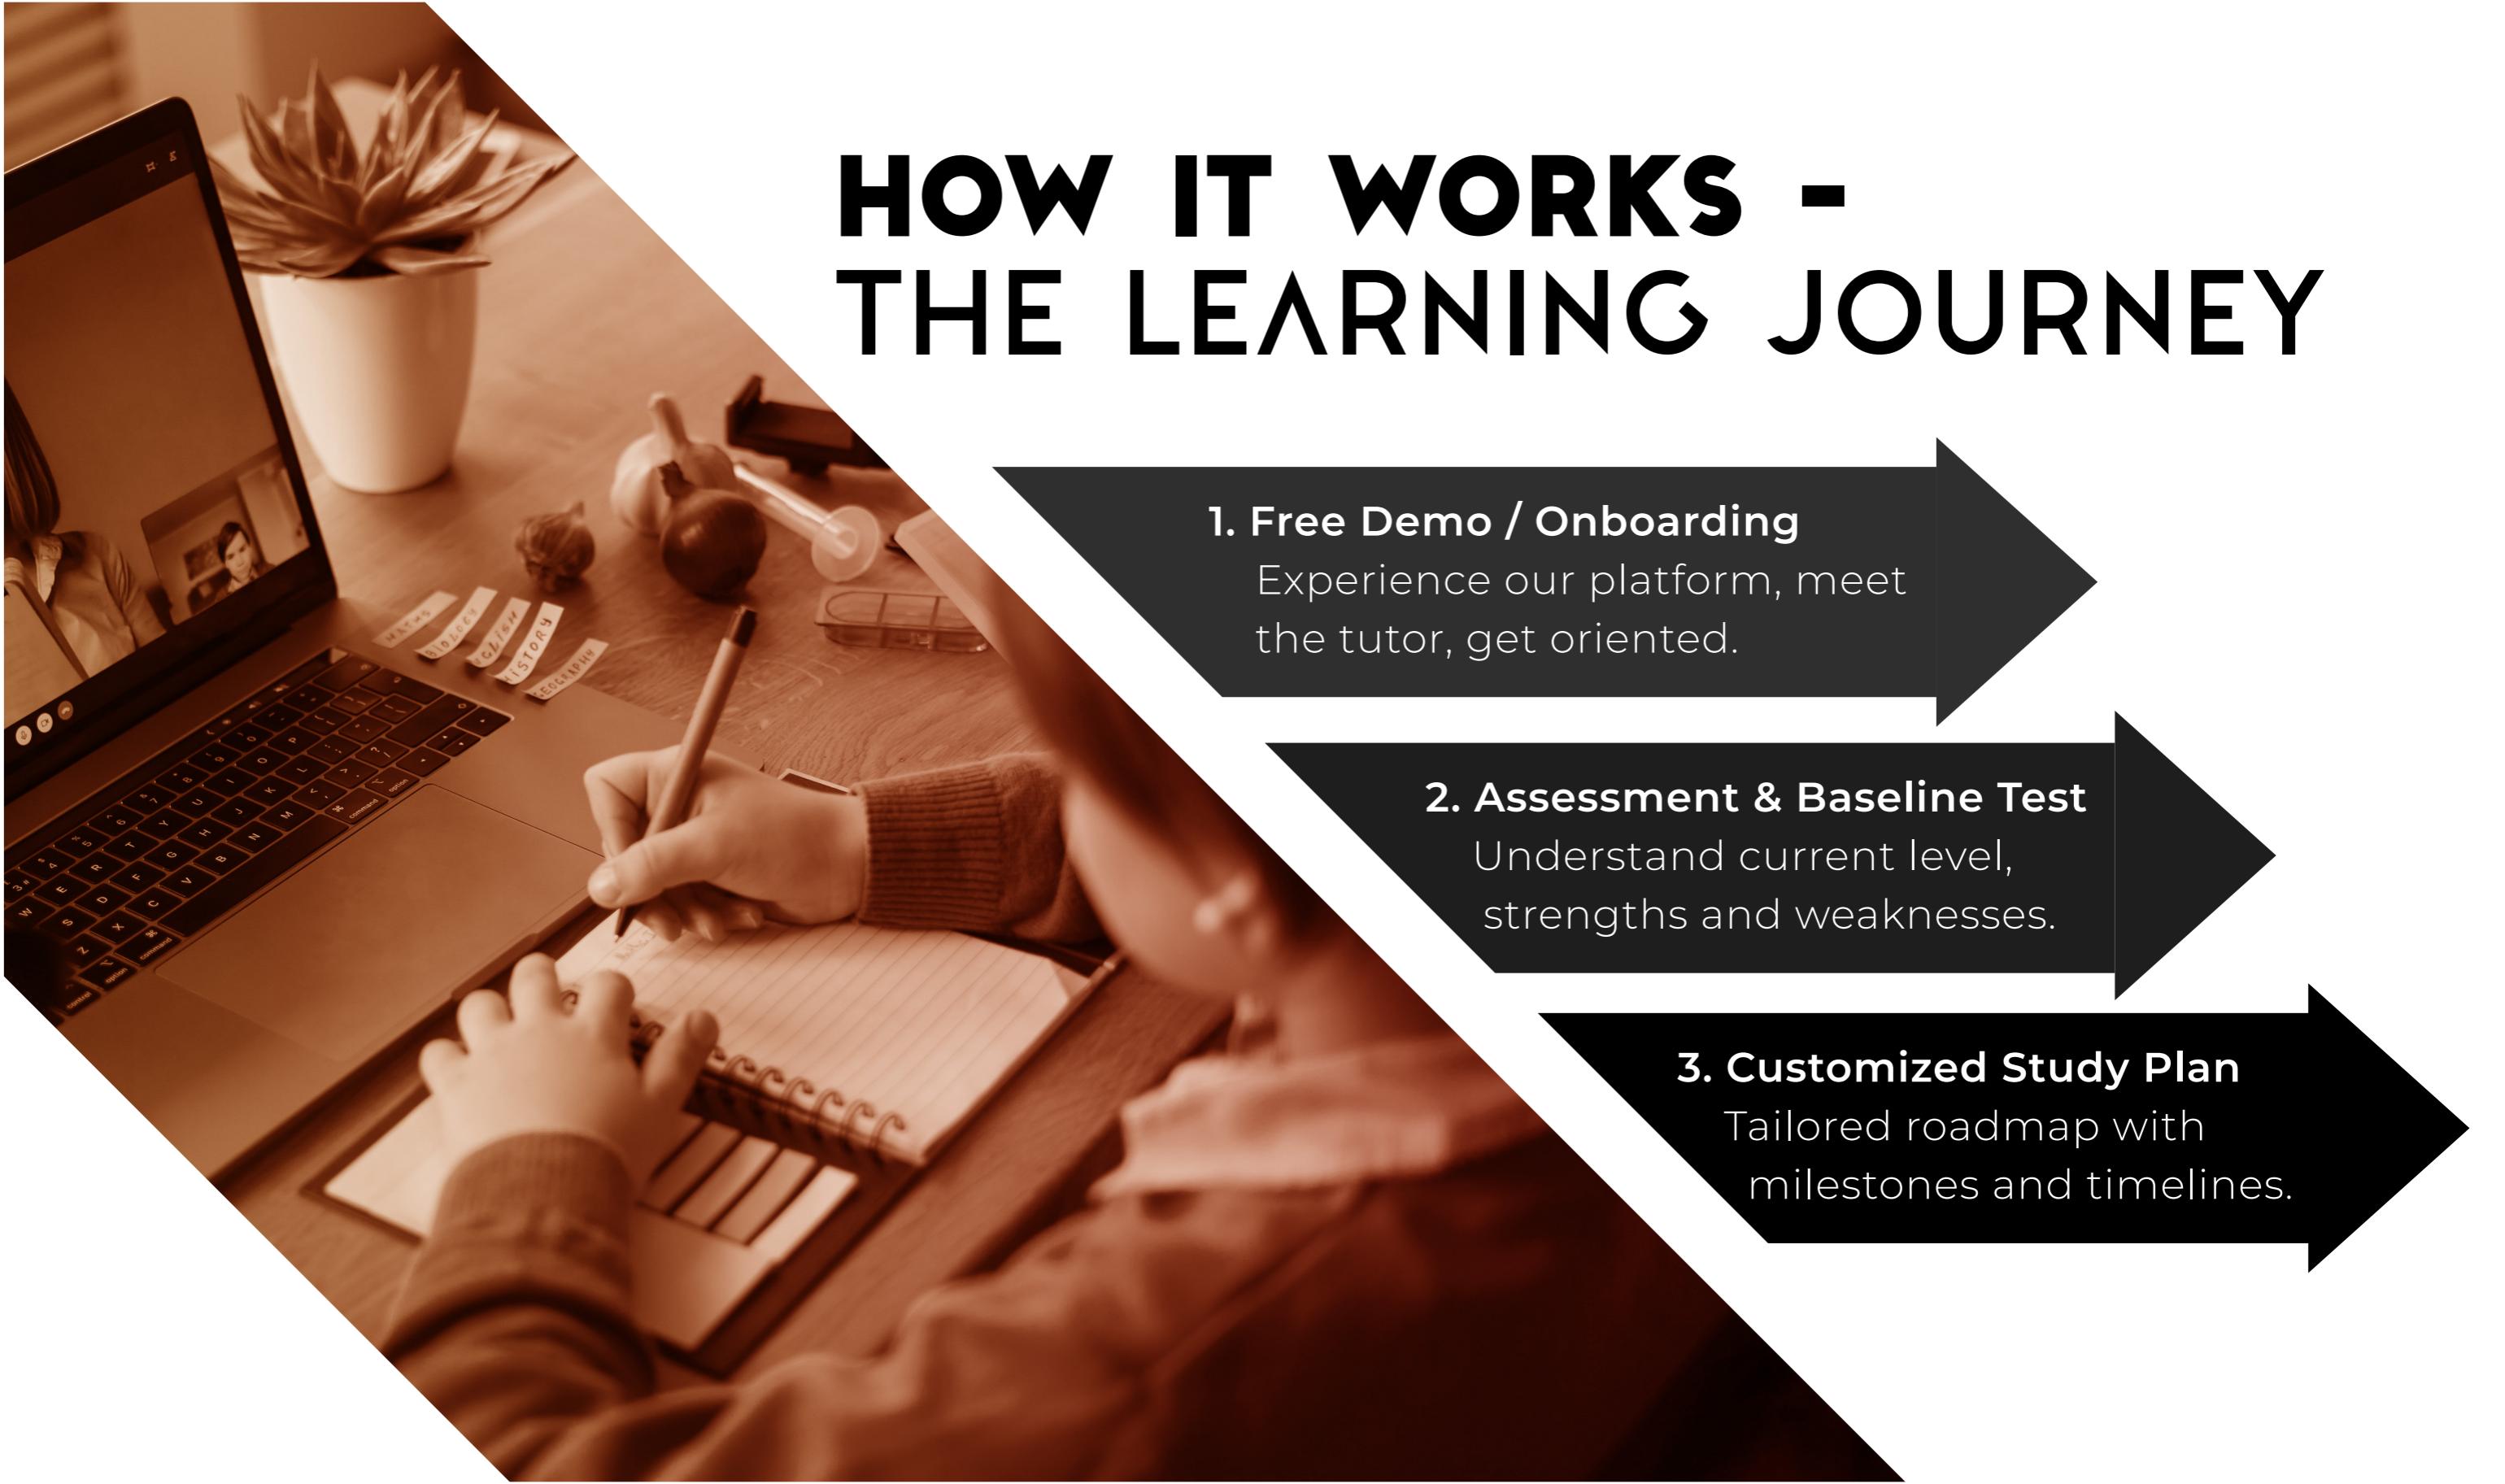

6. LMS Platform & Mobile App

- Access course materials, assignments, and class recordings anytime
- Track performance analytics & progress reports
- Stay connected with teachers for updates & doubts

7. Affordable Pricing, High Value

Quality education without financial strain.

HOW IT WORKS - THE LEARNING JOURNEY

1. Free Demo / Onboarding

Experience our platform, meet the tutor, get oriented.

2. Assessment & Baseline Test

Understand current level, strengths and weaknesses.

3. Customized Study Plan

Tailored roadmap with milestones and timelines.

4. Live Classes + Practice Sessions

Core teaching interspersed with exercises and interactive quizzes.

5. Periodic Tests & Feedback

Evaluate progress, refine strategies, focus on weak areas.

6. Revision & Doubt Sessions

Support just before exams, topic reviews, extra help.

FOR WHOM & WHY IT'S BEST

Our platform is ideal for:

- Students from Class 5 to 12 (CBSE / ICSE / State syllabus)
- Students needing focused, structured guidance
- Parents seeking accountability and performance tracking
- Those preparing for board & competitive exams
- Learners who prefer interactive, live learning over passive videos.
